David,

Section VIII, Paragraph 21(b) also states that “upon request by U.S. EPA, Respondent shall submit such documents in electronic form.” I believe electronic documents submissions are in lieu of submitting hardcopies. As I mentioned on a conference call, I prefer to receive all submissions electronically because I am rarely in the office to receive hardcopies. The electronic documents will suffice, unless I specifically request otherwise.

Thanks,

Shelly

Shelly,

Pursuant to Section VIII, Paragraph 21(b), "Respondent shall submit three (3) copies of all plans, reports or other submissions required by this Settlement Agreement, or any approved work plan." I am unclear as to whether this requirement applies to items such as the attached portions of the City's current insurance policy. Do you want three copies of the enclosures to the attached correspondence?

Also, I know that SESCO is working on the Work Plan, HASP, and QAPP and intends on uploading the documents to the document sharing site. Is SESCO supposed also supposed to send you three copies of the aforementioned documents?

Please advise.

Thank you.
